Discovery Therapy Intervention for 7 yrs – adult
Search and Teach Intervention for 5 & 6 year olds
Learning Disabilities Awareness

Where we learn HOW to learn!

Somewhere along the line, a child has begun to struggle in school. This child is not alone. There is hope. There is a future. When a child is not performing to his /her fullest ability, and you worry about how the next few years will be, turn to a place where you can find help.

To have a confidential discussion on what concerns you about your child's learning habits, call or email today.

The Able to Learn LLC
office location is:
11901 Riders Lane
Reston, VA 20191

In association with **NILD**
